

Town of Navassa Stormwater Management

Public Comment Form For Stormwater Suggestions or Concerns

This form is used to provide comments on stormwater aspects of the design and/or construction pertaining to projects in the Town of Navassa only. If you wish to comment on anything other than stormwater, please speak with the appropriate Town of Navassa staff person responsible for the project.

If you wish to comment on the stormwater aspects of a project not being procured or performed in the Town of Navassa, please contact the local Stormwater Management Officer of the entity that is responsible for the project. If they do not have a local Stormwater Management Officer and are unable to provide a suitable contact, you may contact the North Carolina Department of Environment and Natural Resources for further assistance.

Please print and provide as much detail as possible. Use the back of this sheet if necessary.

Please Return This Form To:
Navassa Town Planner
334 Main St
Navassa, NC 28451
